La Palma Carnival planes full

Regional airlines Binter and Islas Airways say seats on the extra planes being laid on to ferry people across to La Palma for the most important day of the island's Carnival in February are already sold out.

39 flights scheduled from Tenerife North airport in the run-up to the hugely popular 'Indianos' celebrations on Carnival Monday are already full and the local organisers expect several thousand Tenerifeños for the event. In recent years, the Indianos fiesta, with the obligatory dress code of white for participants, has become a Mecca for young people from Tenerife and this year will be no exception.

Extra flights laid on from Gran Canaria are also said to be filling up fast, according to the airlines. Accommodation is already at a premium for the week, which is now one of the most expensive in the island's tourist calendar.
