## BUDGET GIFT IDEAS

love has the  
coldest end"

**St. Valentine's Day** is one of the most romantic days of the year, and each and every one of us has our own unique way of celebrating it.

**G**ifts do not need to be expensive as long as they leave an unforgettable impression in the mind of your beloved. Use your own romantic and imaginative ideas and spend some time, instead of cash, on creating a gift which comes straight from the heart. Here are some ideas to get you started.

- ♥ **You could** decorate his/her home with hearts, bows and ribbons.
- ♥ **Prepare a dinner** for two and decorate the room with heart-shaped candles.
- ♥ **Write a romantic note** asking him/her to be your valentine.
- ♥ **Send** sweet love quotations.
- ♥ **Make your own** Valentine's Day card which expresses your feelings.
- ♥ **Create a scrapbook** 'memories collection' and fill it with love letters, photographs, cherished mementos, etc.
- ♥ **Create a CD** of his/her favourite songs or love songs.
- ♥ **Plan a special dinner** for him/her in a garden.
- ♥ **Pot a plant** that will grow and flower for her.
- ♥ **Spend lots of quality time** with him/her and make clandestine visits to romantic places.

Bianco Duo

## Good food news!

**T**here's something new for lovers of good food in Los Cristianos, Bianco Duo.

**Bianco Duo** is now open and will not disappoint. Indeed there are many similarities with the original and excellent Bianco in the Safari shopping centre: the design is contemporary and predominantly white with a specially designed cocktail bar and lounge area as you enter the restaurant.

From the moment you enter Bianco Duo, located in the Passarella Oasis commercial centre, there is no mistaking

you are in an original Bianco restaurant. Exquisitely laid out with the familiar leather dining sofas down one side and floor to ceiling windows running the length of the restaurant with beautiful views across Los Cristianos and the ocean, this is the perfect place for that romantic meal for two or any other special occasion. This inviting atmosphere is enhanced further by subtle features including backlit glass walls, baroque detailing and carefully arranged plants.

**The service is superb** too and what you have come to expect from Biancos, and the

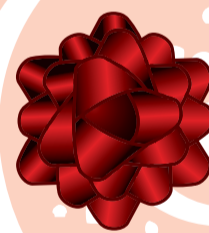

food is fantastic, with all of the old favourites from the original Biancos and a few brand new dishes exclusive to Bianco Duo, including some great steak and fish additions to the grill menu.

Bianco Duo has Leon McCormack as resident musician, tickling the ivories at a baby grand piano playing acoustic versions of your favourite songs, every Monday, Tuesday, Thursday and Saturday with other top musicians playing similar music on Wednesdays and Fridays.

**The cocktail bar** at Bianco Duo, affectionately known as the Long Bar, is a great place to meet. Stunning design, softly lit with professional and friendly mixologists creating the best cocktails in the south.

**Bianco Duo** has some great daytime promotions on at the moment. Between 1pm and 5pm there is a great daytime menu offering a choice of two courses and a drink for only €9.95 and then from 5pm to 7pm you can choose any two pizzas and two drinks for only €14.95. Both offers run Monday to Saturday and there is also a great kids' menu offering all the kids' favourite dishes.

**Make it your next stop**, the new Bianco Duo and Long Bar in the CC Passarella Oasis on the hill opposite Royal Palm. For information and reservations call 922 788 872.
