Keeping out of trouble

Have you received a letter from your UK bank yet?

Following the success of their February presentation on Brexit, Blevins Franks return as guest speakers. They will discuss key financial planning issues for expatriates, including exchange of information, positioning yourself tax-wise for residence in Tenerife, making sure your money is in the right place and the correct structuring of UK and Spanish wills.

The presentation is open to everyone; you do not need to be an Adeje International Focus Group member or live here permanently.
