

Career gear in colour!

*The new trouser suits
for everyday business
are anything
but monotonous.*

*Delicate pink remains
in vogue - even for
trouser suits.
From Miss Selfridge*

*Monsoon's flattering
sky blue suit with a
casual cut*

You can take that literally, because now suits are showing their true colours. The palette ranges from clear green to royal blue to raspberry red and if that's too striking for you: earth tones or pastels such as sky blue or pink are also popular.

*A Debenhams special
in a flattering earth
tone with a tie belt*
