

*A bright, royal blue, tux-like, satin collar special from Debenhams*

The new trouser suits are particularly feminine, not only in terms of colour. The cuts are also soft and womanly. This is ensured by fitted jackets as well as the now very trendy tie belts.

*The raspberry toned suit from Hobbs is particularly feminine, as is the casual tie belt*

*Oversized is in demand again. Next suit with a double breasted blazer*

*A real eye-catcher from Matalan: Sporty suit in green*
