With Liberty Seguros you are assured of the best insurance cover with quality, and efficient service so you're not left high and dry.

What's more, if you take out Car, Home, Life or Funeral insurance before June 25 this year, you will get money back. This applies to both new and existing customers so you can save on all your covers.

Let's take for example that you're an existing customer. If you take out a new policy for any of the above covers, you'll receive €60 cashback for each one you take out. Perhaps you already have car insurance but soon need to renew your home insurance that you have with another company. Then, if you switch to Liberty Seguros you'll get €60 cashback on the premium quote. Maybe you've thought about life cover just in case the unexpected happens. If so, our life insurance cover could be exactly what you need to help those you leave behind. The same applies to funeral insurance. Don't leave all those funeral expenses to your loved ones. Take out cover now so all the expensive costs are paid at this very sad time. Any of these new insurances offer €60 cashback for existing customers. So for three or four

new policies you'll get either €180 or €240 back. That's a big saving. Perhaps you also have a second or third car, then you'll also get €60 cashback on any new policy you take out. Even new customers get €30 cashback on the first new policy and then €60 on subsequent new policies.

In order to achieve this and to assist those that prefer a more personalised service and a face-to-face chat, Liberty Seguros has an extensive network of around 300 brokers and agents who will be pleased to give you all the help you need and look after you for the long term.

By switching to Liberty Seguros for all your insurance needs you can save money now. With insurance, not only for Car, Home, Life, and Funeral but also for Pet, Business, Commercial, Public liability, etc., Liberty Seguros is considered the expat preferred insurer in Spain.
